## ABOUT M.R STEEL

*For the customers who seek for high grade steel based products & components, we, at M.R Steel, are working with dedication and responsibility. By serving as a manufacturer, trader and wholesaler, we tend to meet the demands of esteemed customers through all means. The range with which we are developing new relations and expanding our business at such a high rate includes Shelf Brackets, Display Racks, Display Hooks & Hangers and Slotted Channels. Processed under quality controlled environment, our each offered item is the definition of precision and accuracy.*

*In a short time period, we have gained recognition from major clients in the market. They compliment the quality we offer through our range and look forward to establishing long term relations for top class servicing. With our keen focus towards growth, improvement, success and prosperity, we are developing relations & promising a reliable servicing for a long lasting time line.*

### **Quality That Matters**

*Being a quality conscious firm, it is our prior concern to deliver a quality that actually matters. We manufacture items as per international standards and pass them through rigorous quality inspection tests for assuring their quality features. Our items ranging from Shelf Brackets, Display Hooks & Hangers, Display Racks to Slotted Channels are manufactured with finest stainless steel raw material available in India. And, the packaging & shipment of our range act as a complement to our overall offered quality.*

### **Ultramodern Infrastructure**

*Under the roof of our state-of-the-art infrastructure, we possess all essential tools and equipment that enable us to manufacture a wide range in an efficient manner. Our infrastructure is highly capacious to practice new production techniques and store products safely in the warehouses. These advanced facilities are set up with a purpose to stay relevant with the changing market scenarios and demands.*

### **Reasons To Choose Us**

*The major reasons to become a part of our newly established business venture and opt our products & services are:*

*For our quality maintenance approaches*

*For our easy cost prices & payment methods*

*For our timely deliveries of every made order*

*For our work in compliance to industrial norms & policies*
